10 Years of Confidence.
One Smart Heat Pump.

Protect your Vitocal 200-A ie with expert servicing, proactive support and comprehensive warranty cover from Viessmann.

Your heating system is one of the most important investments in your home. That's why every Vitocal 200-A ie can be supported with a Premium Service Plan, combining comprehensive warranty protection, annual servicing and expert support to help keep your heat pump performing at its best for years to come.

Designed for Long-Term Peace of Mind

Choosing a Vitocal 200-A ie heat pump means choosing efficient, sustainable home comfort.
The Premium Service Plan helps you protect that investment with:

+ **Up to 10 years warranty protection**
+ Annual servicing by trained specialists
+ Expert technical support
+ Genuine Viessmann parts
+ Continued efficiency and performance
+ Greater confidence in your home's heating system

More Than a Warranty

The Premium Service Plan is designed to give homeowners complete reassurance, knowing their heat pump is backed by the people who know it best.*

Regular servicing helps maintain system efficiency, optimise performance and identify potential issues before they become costly repairs. Combined with long-term parts and labour protection, you can enjoy reliable heating and hot water with confidence.

Why Choose Viessmann?

For over 100 years, Viessmann has been delivering innovative heating technology to homes around the world. The Vitocal 200-A ie represents the next generation of home heating, offering:

+ Outstanding Efficiency
+ Intelligent Connectivity
+ Quiet Operation
+ Expert Support

ONE BASE intelligence

A Smarter Way to Protect Your Investment

Your heat pump works every day to keep your home comfortable.
With the Premium Service Plan, you can enjoy:

+ 10 years of confidence.
+ 10 years of expert support.
+ 10 years of peace of mind.

Register Your Warranty Today
